Purpose:

California Education Code sections 47604.33, 47606.5 and 52064 require that, on or before July 1 of each year, charter schools must complete a Local Control Accountability Plan (LCAP) and Annual Update, using the LCAP template adopted by the State Board of Education (SBE).

The LCAP is a three-year plan that describes the goals, actions, services, and expenditures to support positive student outcomes that address state and local priorities. The LCAP provides an opportunity for local educational agencies (LEAs) to share their stories of how, what, and why programs and services are selected to meet their local needs.

The OGCS, Inc. Board of Directors are required to adopt the LCAP by July 1, 2024 in a public meeting. This meeting shall be held after the public hearing for receiving public comment. The agenda for the public hearing shall be posted at least 72 hours before the public hearing and shall include the location where the LCAPs will be available for public inspection.

Notes on Public Comment:

If you would like to provide input on one or more of the Local Control Accountability Plans during the public hearing portion of the May 23, 2024 OGCS, Inc. Comments submitted by email will be read aloud by the secretary or a Board member in the order in which they were received. Any written comments that exceed the total limit will be included as part of the record but not read during the meeting. The Board is prohibited from taking action on any item that is not part of the published agenda.

In compliance with the Americans with Disabilities Act (“ADA”) and upon request, the School may furnish reasonable auxiliary aids and services to qualified individuals with disabilities.
